## Storm Protection & Beauty at Your Doorway

- Meets & exceeds the following building codes: IBC & IRC ASTM E1886, E1996 & E330 Florida Building code for high velocity hurricane zones (TAS 201, 202 & 203) Florida Approval #FL11515 ([www.floridabuilding.org](http://www.floridabuilding.org))
- Attractive vinyl frame with convenient cap to cover all screws (No plugs!)
- Eliminates the need for hurricane shutters
- Covered by a twenty-year limited warranty
- Specifically engineered to meet Florida, Texas and other coastal area requirements for structural and impact performance
- 9000 Pressure cycles pass water and air infiltration tests.
- Easy to paint or stain!

RSL Hurricane Impact doorglass is available on all rectangular decorative designs in our full line catalog by special order.
