

Craftsman

Our Craftsman offering features a new flat frame profile, a versatile selection of decorative clear and privacy designs, as well as GBG's, SDL's and external grills. Our external grills are 1 1/8" wide and are part of the injection molded design; no additional labor or two-sided tape required to assemble! Available in 22 x 15 1/4, 25 x 15 1/4, and 22 x 17.
