# THE SHAKER COLLECTION

Function Over Form With A Modern Twist

In Shaker style, simplicity reigns and the superfluous is banished. The Shaker Collection offers two refreshingly simple models with a modern twist:

SOHO's contemporary style and four panel configuration is very popular in today's architecture,

VICTORIA is inspired by American architectural style. With its new embossment, this striking door is sure to pass the test of time.

Our Contemporary S-Frame matches perfectly with Shaker Collection doors.
